

Harris County Community Services Department
ANNUAL ACTION PLAN AMENDMENTS
PUBLIC NOTICE

March 13, 2017

The U. S. Department of Housing and Urban Development (HUD) requires that Harris County develop a 3- to 5-year strategy document which states the community development and housing needs of the jurisdiction and annually submits, in a single application for funding, its request for Community Development Block Grant (CDBG), Emergency Solutions Grants (ESG) and HOME Investment Partnerships (HOME) Program funds. Other funding addressed includes Neighborhood Stabilization Program (NSP) I and III and Community Development Block Grant – Disaster (CDBG-D) funds. This strategy document is called the Consolidated Plan, and the single application for funding is called the Annual Action Plan (AAP). When significant changes occur to the Consolidated Plan and subsequent AAPs, Harris County must propose amendments to be reviewed by the public for a 30-day comment period. The Harris County Community Services Department (HCCSD) proposes the following amendment:

2015 ESG Funding:

Project C2015-0032d The Salvation Army Houston Area Command Social Services – Rapid Re-Housing for Young Adults (Countywide) – *Scope Change* - Current Scope: Provide housing stability case management and other supportive services to homeless youth throughout Harris County. Revised Scope: In addition to the Current Scope, The Salvation Army will also perform shelter renovations that may include but are not limited to installation of upgraded security and safety equipment, energy efficiency improvements, replacement of bathroom partitions, installation of a new air-conditioning unit and any other required appurtenances to the Harbor Light Center building. Total project funding including previously awarded amounts will be \$112.521.05.
