

# Processing RID Voters

## Reasonable impediment to obtaining List A ID, & have List B ID

If a Voter does not possess the required List A photo ID and has a reasonable impediment to obtaining one, they may complete a **Reasonable Impediment Declaration (RID)**, allowing them to vote using a standard Ballot if all necessary requirements are met.

RID Voters are registered Voters of Harris County and will populate in the ePollBook.

### Steps for Judges

1. **Determine Eligibility** – Ask the Voter if they have a valid List A photo ID. If they do not, tap “No” on the ePollBook and perform a manual search. If they are found on the ePollBook then, provide them with a Reasonable Impediment Declaration (RID) form.
2. **Explain the Process** – If the Voter identifies an impediment from the form, inform the Voter, if they have List B identification, they must complete the RID form and present the supporting ID from List B, as required by TEC Sec. 63.001(i).
1. **Verify Form Completion** – The ePollBook will prompt you to hand the Voter a RID. Ensure the Voter fills out all required fields and selects a valid impediment reason from the following options:
  - ✱ Lack of Transportation
  - ✱ Disability or Illness
  - ✱ Lack of Birth Certificate or Required Documents
  - ✱ Work Schedule
  - ✱ Lost or Stolen ID
  - ✱ Family Responsibilities
  - ✱ Accepted Form of ID Applied for but Not Received

4. **Check Supporting ID** – Verify the Voter provides a List B ID meeting legal requirements: government-issued or other List B ID, include Voter's name, and display an address (does not need to match the Voter's registration address). If there are any questions regarding List B identification, Voters should call **(713) 755-1617, Option 04**.
5. **Finalize the Process** – Review the completed form, record the type of List B ID presented, then the DEVC/AEVC or Judges sign and date the form. On the ePollBook, indicate the reason for the RID and the List B ID provided.
6. **Allow Standard Voting** – After verifying the form, check the Voter in and issue a regular ballot.
